Welcome to the Sunrise Theatre 2019/20 Season, *Looking Towards The Future*. As we head into the new season, we continue to enhance the lives of all who live, work, play and visit, the beautiful City of Fort Pierce. To date we have welcomed more than 100,000 students in our arts education programs. The Sunrise continues to serve as an economic catalyst, generating millions of dollars in revenue for Fort Pierce and St. Lucie County businesses from audiences and performers who stay at area hotels, dine in local restaurants and patronize local shops.

The coming season promises to be one of our most entertaining yet. This year for the first time, we have added our **Family Adventure Series** with performances geared toward an adventure-filled experience for the entire family. The series includes: *Rudolph The Red Nosed Reindeer, The Nutcracker, Jack Hanna, Into The Wild – Live, Catapult: The Amazing Magic of Shadow Dancing, and Dinosaur World, Live!* I invite you to bring your family, young and old alike, and enjoy an unforgettable journey that can only be found through the magic of live entertainment. Other performances not to be missed are: *Georgia On My Mind: A Celebration of the Music of Ray Charles*, the magic, illusion, and comedy of *Michael Carbonaro*, *Chazz Palminteri* starring in his one man smash hit play, *A Bronx Tale*, the Southern Rock & Blues sound of *The Allman Betts Band*, the Broadway, Tony Award® Winning musical *An American In Paris*, and so much more! In addition to the Sunrise Theatre mainstage, we also have the 210 seat Black Box. This space is reminiscent of a club you might find in New York City. It’s cool, hip, vibe is perfect for Blues, Jazz, & Comedy events, as well as can host meetings, receptions, gatherings of all types. It is home to our Comedy Corner, and the Fort Pierce Jazz & Blues Society’s, Jazz Jam. As in seasons past, we are always expanding our season with the addition of many concerts, attractions and events over the coming months.

New this year, is the Sunrise Deck. This exclusive lounge has been added to enhance your Sunrise experience, and will be available one hour prior to show-time and during intermission. A perk for members, based on membership level, our stylish lounge is comfortable and spacious and will offer appetizers, desserts, a dedicated bar, ample seating, and a wall of windows that overlook beautiful downtown Fort Pierce. The Deck will also be available as an upgrade to show tickets, when available.

We couldn’t do any of this without the generous and continued support of our members, donors, corporate/business partners and friends. Your support not only allows for affordable ticket prices, but enables us to enhance our cultural and educational programming, community offerings, and preserve the historic Sunrise Theatre, listed on the National Register of Historic Landmarks. On behalf of the City of Fort Pierce, our Advisory and Foundation Boards, 200-plus volunteers, and amazing staff, I can’t thank you enough for all of your support.

As always, we appreciate you, our valued guest and look forward to sharing all the unforgettable experiences that only live performances can provide.

*With sincere thanks,*

Indian River State College values the partnership we have built with the Sunrise Theatre. For more than ten years, we have jointly worked to provide IRSC students countless opportunities to showcase their creative talent. As a result, our organizations have been recognized with several Treasure Coast Advertising Federation Awards, including a number of ADDYs (American Advertising Awards).

The Sunrise Theatre is an integral part of the cultural life of Fort Pierce and the Treasure Coast. This venue truly enriches our community and contributes to the socioeconomic fabric of the entire Region. Through partnerships with educational institutions like local school districts and IRSC, the Sunrise Theatre is enlightening new generations to the importance of the arts, and more importantly, giving youth the opportunity to experience and contribute to productions first-hand.

I am proud to say that the collaboration between the Sunrise Theatre and Indian River State College has genuinely afforded our students real-world experiences by providing opportunities to work in promotional campaigns, internships, and in preparing them for careers in advertising and design. We are thankful for the support of the theatre’s talented staff and look forward to continuing our relationship in service to the community.

For the past 45 years, it’s been very good to be George Thorogood & The Destroyers. And in 2019, their Good To Be Bad Tour: 45 Years Of Rock will prove why like never before.

Since 1975, they’ve sold over 15 million albums, built a classic catalog of hits, and played more than 8,000 ferocious live shows. They broke records with their 50 Dates/50 States tour, delivered landmark performances at Live Aid and on SNL, and became mainstays of radio, MTV and stages worldwide for more than two generations. Through it all, they’ve remained one of the most consistent — and consistently passionate — progenitors of blues-based rock in pop culture history.

“If you’re content, you may as well be dead.” George laughs with his familiar rasp. “I think everyone has thoughts about retiring, but the phone keeps ringing. You want me and The Destroyers to come to your town, set up our gear, wear some badass clothes and play ‘Who Do You Love?’ End of conversation. Let’s rock!”

“He’s got charisma and personality to burn, a fact that becomes evident the moment he walks on stage” — Milwaukee Journal Sentinel

“After 40+ years, George Thorogood is still going strong. The Destroyers remain as they have been for years — Jeff Simon on percussion, Bill Blough on bass, Jim Suhler on guitar, and Buddy Leach on saxophone. They are without doubt one of the best touring bands in rock-blues history.

Critics and peers agree, Brian Regan has distinguished himself as one of the premier comedians in the country. The perfect balance of sophisticated writing and physicality, Brian fills theaters nationwide with fervent fans that span generations. A Tribute to Johnny Cash

---

**Top of the World** is the World’s Premiere Celebration of the Carpenter’s music, a catalogue that boasts some of the most unforgettable ballads and melodic pop songs of all time!

Fronted by singer Debbie Taylor, whose vocal resemblance to Karen Carpenter is astonishing, and captures the warm tones and contralto range that made her voice so unique. She is joined by a seven piece band consisting of top-notch, professional musicians recreating the complex arrangements made famous by Richard Carpenter.

No doubt, you will be singing along as they perform hits like Close To You, We’ve Only Just Begun, Rainy Days And Mondays, Please Mr. Postman and Yesterday Once More, to name a few.

**The Man in Black** Show offers a retro look, sound and feel into the performance of American Icon Johnny Cash. The show also features hits made famous with June Carter Cash and goes beyond the look of a younger Cash to feature his music right up to the time of his death in 2003.

Widely acclaimed by the general public and critics alike, **The Man in Black Show**, is considered as the pre-eminent celebration of Johnny Cash, with a stunningly accurate and remarkably authentic portrayal.

If you were to dissect today’s alternative rock music, you’ll find that much of it pays homage to **The Psychedelic Furs**. Led by vocalist and songwriter Richard Butler, and his bass-wielding brother Tim, the Furs scored major hits with “Love My Way,” “Pretty In Pink,” “Heaven,” “The Ghost In You,” and “Heartbreak Beat” in all releasing seven studio albums, spawning several compilations, a boxed set, and a live concert DVD.

Born out of the post-punk UK rock scene, the Furs quickly developed as one of the premiere bands on US College and Modern Rock radio scoring a multitude of #1 singles.

With the advent of MTV in the early 80’s the band took off into the stratosphere, and when John Hughes’ approached the band with his film built around the Furs’ song “Pretty In Pink”, the band’s legacy was cemented. After a brief hiatus in the 90’s, and a side project called “Love Spit Love”, the band regrouped at the dawn of the new millennium.

**The Psychedelic Furs** touring lineup remains Richard Butler (vocals), Tim Butler (bass), Rich Good (guitar), Mars Williams (saxophone), Amanda Kramer (keyboards), and Paul Garisto (drums).

A re you still lonesome for the energy, charisma and incredible voice of the king of rock-n-roll? Celebrate the life and music of Elvis Presley with Chris MacDonald’s Memories of Elvis in Concert, a dynamic full production tribute that shares the incredible story of “the shy humble country boy who became the King of Rock-N-Roll” with costume changes, songs and video clips highlighting several stages of The King’s iconic career including The Early Years, The Movies, The Black Leather 1968 Comeback and The White Fringe 1970’s Vegas Concerts.

With this national touring production, you are in for a big Las Vegas-style show with a Rockin 8 piece band, singers, and dancers, as Chris MacDonald draws his audience in with the look, sounds, and nuances that made Elvis “The King”.

An accomplished and experienced entertainer, Chris has performed in Vegas, Branson, and with the famous Legends in Concert stage productions. He has also headlined with Elvis’ own original backup group, the Jordanaires, and D.J Fontana at the famous Hard Rock Live Concert Arena.

Adding to the authenticity of his tribute, Chris has the ultimate honor of being the “Only Tribute Artist hired by Elvis Presley Enterprises to perform at Graceland’s Heartbreak Hotel”. “The show is not a parody or an overdone impersonation. There is a true understanding of what Elvis did best, connecting with his songs and the heart of his audience. It is a natural, heartfelt tribute to an American Icon and his music”.

Join us for a dynamic tribute celebrating the life and music of the King of Rock-N-Roll.
Be Part of the Solution!

Despite our efforts, the Second Chance Animal Shelters in Fort Pierce and Port St. Lucie care for over 5,000 domestic pets that are unwanted or abandoned. The cost of operating these Shelters which are obligated to take in any animal presented to them regardless of its breed, temperment, age or condition, is enormous and only partially funded by contracted payment from local government.

Our St. Lucie County community has an animal welfare obligation to reduce animal population. The Second Chance Animal Shelters want to take the lead in developing unified policies to enable and implement population reduction through enhanced spay and neuter programs.

A BRONX TALE
Starring Chazz Palminteri

Saturday, February 1st at 8pm
TICKETS: Starting at $58*  Includes restoration fee

A BRONX TALE IS A GOOD YARN, A VIVID TRUE STORY.

— Stephen Holden, New York Times

Chazz Palminteri is an Academy Award nominated Actor/Writer/Director best known for his iconic play and film, A Bronx Tale. The classic coming of age story brought to life in the original one man show-written and performed by Chazz Palminteri. He started out pursuing his craft by studying at the Actor’s Studio with Lee Strasberg and quickly landed roles on off-Broadway, Broadway and in television.

Well known for his unique ability to create the lovable tough guy, Chazz wrote A BRONX TALE while a member at Theater West in LA. His Machiavellian fable was based on his childhood and life experiences growing up in his Italian-American Bronx neighborhood. Palminteri wrote the stage play and performed it as a one-man show in Los Angeles quickly becoming the hottest property in Hollywood since ROCKY.

Featuring Rocky and The Rollers known for their showmanship and backing performers such as Gary Lewis and The Playboys, Lou Christie’s and many more. The Mystics known for Hushabye, Don’t Take The Stars and Somewhere Over The Rainbow. The Teenagers known for Why Do Fools Fall In Love, I Want You To Be My Girl, and The ABC’s of Love. Lou Christie’s first million selling song, The Gypsy Cried, transformed a local choirboy, Lugee Alfredo Giovanni Sacco, into Lou Christie — national teen idol, while still a teenager himself. Over the decade of the 1960’s Lou followed success with greater success. Two Faces Have I was his next big hit featuring his stratospheric falsetto. Lou forever embedded himself and his uniquely talented voice into America’s consciousness with his number 1 multi-million selling success Lightening Strikes. Lou’s chart topping success continued with two more million selling hits, Rhapsody In The Rain and I’m Gonna Make You Mine. Films that feature Lou’s songs include Rainman, Barcelona, The Last Days of Disco, A Home Of Our Own, Before Sunrise, Dutch, Burnyz, Last Call and the TV mini series, Wild Palms and The Sopranos. In addition to recordings and concert appearances, Lou can be heard regularly on Sirius-XM radio. From teen idol to Rock’n Roll legend LIGHTNIN’ LOU CHRISTIE STRIKES AGAIN, AND AGAIN, AND AGAIN!!!
Guy Auxer worried about choosing a primary care physician when he moved from out of state to Port St. Lucie. But his new Cleveland Clinic Martin Health doctor quickly gave him peace of mind. “My doctor investigated everything, found specialists I needed and put me on a program that will keep me kicking for a long time.”

**The Motown Band** with Special Guest **LaLa Brooks**

**Valentine’s Day Special**

**Friday, February 14th at 8pm**

**Tickets: $75 VIP / $50 / $40**

*Includes restoration fee*

Celebrate Valentine’s Day with the music of Motown featuring **That Motown Band with special guest LaLa Brooks, Garfield Fleming, and Brian Owens**.

**LaLa Brooks**, the former original lead singer of the Phil Spector-produced girl group, **The Crystals**, with major hits in the sixties with songs including *Da Doo Ron Ron* and *Then He Kissed Me*. She also sang on the legendary Phil Spector Christmas Album!

**Brian Owens** is vibrantly vintage — aesthetically he follows the groove gospel of classic 1960s and 1970s soul with heavy dose of traditional quartet stylings, but it has a very “in the now” emotionality. Brian and his core trio, **The Deacons of Soul** (Shaun Robinson, Alvin Quinn and Rob Woodie) offer an experience that invites audiences to partake to honor the past and attend to the present and future through performances that are about preservation. Brian is making music with intent. Art that inspires positive change. His vocals are a revelation — purposeful and passionate — he remains his own stylist while recalling the sensual urgency of Marvin Gaye, the comforting falsetto of Curtis Mayfield and tender grit of Sam Cook.

CATAPULT: The Amazing Magic of Shadow Dance

Thursday, February 20th at 7pm
TICKETS: Starting at $42*, 12 & Under $23*
*Includes restoration fee

Catapult is, technically, a shadow dance company. What it really is: a theatrical art form that is an amazingly imaginative combination of dance, storytelling, and sculpture. Founded in 2009, by Adam Battlestein (choreographer, Creative Director and Master Teaching Artist for Pilobolus Dance Theatre for 19 years), Catapult catapulted to fame on Season 8 of America’s Got Talent, earning their way to the finals of the NBC-TV hit show.

Catapult is a family friendly show that is all about the human body and its ability to transform. The talented Catapult dancers work behind a screen to create seemingly impossible dancing shadow images of shapes from the world around us. You won’t believe your eyes as you watch these incredible dancers become a mountain, a full size elephant, a helicopter, a house with a window and people inside the window. You will never figure out how they do it, and you won’t know what they will make next — you will be surprised and delighted again and again. Audiences of all ages love what appear to be effortless transformations and applaud over and over as more and more unbelievable images appear.

The Beach Boys

Saturday, February 22nd at 8pm
TICKETS: Starting at $78*
*Includes restoration fee

You'll have fun, fun, fun when The Beach Boys return to the Sunrise Theatre stage after their sold out show last year! You can capsulize most pop music acts by reciting how many hits they’ve had and how many millions of albums they’ve sold. But these conventional measurements fall short when you’re assessing the impact of The Beach Boys. To be sure, this band has birthed a torrent of hit singles and sold albums by the tens of millions. But its greater significance lies in the fact that it changed the musical landscape so profoundly that every pop act since has been in its debt. Happily for us all, The Beach Boys continue to create and perform with the same bold imagination and style that marked their explosive debut 50 years ago. Even more than the Beatles, The Beach Boys found through their music the key to unfading youth — and they made copies for everyone. To these guys, the beach isn't just a place where the surf comes to play — it’s where life is renewed and made whole again.

Few, if any, acts can match The Beach Boys’ concert presence, spirit and performance. Get ready for a night of fun, fun, fun, with songs like: Surfin, I Get Around, Help Me Rhonda, California Girls, Good Vibrations, Wouldn’t It Be Nice, God Only Knows, Kokomo and many more of your old favorites!

Southside Johnny & The Asbury Jukes

Wednesday, March 11TH at 7pm
TICKETS: Starting at $48*
*Includes restoration fee

Southside Johnny and the Asbury Jukes emerged from the New Jersey shore scene in 1974, carrying over a significant influence (and some key personnel) from Bruce Springsteen & the E Street Band.

Organized by singer John Lyon, the band is well known for high-energy shows and no-holds-barred songs, including I Don't Wanna Go Home, Havin' a Party, The Fever, Talk to Me, Trapped Again, and This Time It's For Real. Still tinged with the exuberant rhythm and blues feel that is the Jukes' trademark, and loaded with the driving sound of the legendary Jukes horn section, Southside Johnny and the Asbury Jukes continue to expound their signature Jersey Shore sound — all for the sheer joy of it.

Created in 2008, the nonprofit Sunrise Theatre Foundation is an independent affiliate of the Theatre, led by volunteer members of the community. Their goal is to bring the experience of the performing arts to children on the Treasure Coast who might not otherwise have that life-enriching opportunity.

MAJOR CHILDREN OUTREACH ACTIVITIES FUNDED BY THE FOUNDATION

• **SUBSIDIZED TRANSPORTATION** — Each year, the Foundation subsidizes the cost of transporting thousands of school children for daytime performances of professional theater, ranging from ballet to magic, at no cost to the children, their parents or their schools. For many of the more than 80,000 students who have attended, this has been their first chance to see such nationally and internationally acclaimed artists live on stage.

• **MISSOULA CHILDREN’S THEATRE** — Summer brings the Missoula Children’s Theater Summer Camps, weeklong camps culminating with a public performance of a classic children’s story by the children themselves on the stage of the historic Sunrise Theatre.
MAJOR FUND-RAISING ACTIVITIES TO SUPPORT THE FOUNDATION

• **BRICK CAMPAIGN** — The Foundation recently launched its “Pave the Way for Sunrise Kids” program. With a donation of just $150, supporters of the arts education and outreach mission of the Foundation can purchase a “forever brick,” personalized and engraved with the donor’s name, message or memorial to be installed on the pathway at the entrance to the Theatre. More than 100 people or organizations have already taken advantage of this unique opportunity to leave a lasting legacy.

• **TAX-DEDUCTIBLE CONTRIBUTIONS** — The Foundation welcomes tax-deductible individual and corporate grants and bequests.

**FOUNDATION BOARD MEMBERS**
Charles Hayek, Jane Deane, JoAnn Pagano, Joe DeRoss, Jovita Williams, Kathy Post, Manju Nayer, Michael Goforth, Milt Koster, Nancy Archer, Paul Dasso, Sandi Hellstrom-Leonard

He’s the complete package: a dazzling trumpeter at home in everything from jazz to pop to rock, a brilliant bandleader who lets his players shine, and a born showman whose joy at being onstage is infectious. Botti, a Grammy® winner, is the largest selling American instrumental artist.

A master trumpeter — who first picked up the instrument at just 12 years old — Chris Botti has been surrounded by music for the majority of his life. Over his prolific career, he has worked with a wide variety of major artists including Sting, Barbra Streisand, Tony Bennett, Lady Gaga, Josh Groban, Yo-Yo Ma, Michael Bublé, Paul Simon, Joni Mitchell, John Mayer, Andrea Bocelli, Steven Tyler and even Frank Sinatra.

His unique style, sound and stage presence have earned him a loyal international audience, and his music is adored by everyone from Jazz aficionados to less-serious music appreciators. You will not want to miss this show at the Sunrise!

Celebrating the music of Queen
The Look, the Sound, the Pomp, the Showmanship

Great Britain’s most explosive rock ‘n’ roll tribute show, ONE NIGHT OF QUEEN, makes its annual appearance at the Sunrise Theatre! Scottish vocalist Gary Mullen is a legend in his homeland for his uncanny ability to channel the late, great Queen front man Freddie Mercury. ONE NIGHT OF QUEEN stars Gary and his band, The Works, and it’s a high-energy, fully-realized Queen concert, featuring state-of-the-art lights, effects and, of course, those classic songs: Bohemian Rhapsody, We Are the Champions, Another One Bites the Dust and We Will Rock You, among many others!

Since 2001, Gary Mullen and ONE NIGHT OF QUEEN have toured virtually non-stop around the U.K., Germany, Portugal, Holland, Belgium, France and New Zealand, playing theaters, arenas and festivals to sell-out crowds on every shore. Rock ‘n’ roll fans couldn’t get enough of Queen.

MANUFACTURING ON THE RISE IN REGION

BY BERNIE WOODHILL

A number of companies are expanding their operations on the Treasure Coast, with a focus on manufacturing. New facilities are being built, and existing facilities are being expanded. The majority of these companies are located in St. Lucie, Martin, and Indian River counties.

In the past year, manufacturing jobs increased by 3.4 percent in Indian River, 4.2 percent in Martin, and 2.6 percent in St. Lucie, according to the Florida Department of Labor and Employment Security. This growth is a significant increase compared to the state-wide growth rate of 1.1 percent.

Local leaders are optimistic about the future of the manufacturing industry on the Treasure Coast. "We have a lot of companies that are expanding and adding jobs," said Lisa Crawford, director of the Indian River State College Small Business Development Center. "We are seeing a lot of growth in the area, and we expect this trend to continue in the coming years.

Some companies are taking a closer look at the Treasure Coast and are considering it as a more affordable location for manufacturing operations.

At St. Andrew's Episcopal Academy, learning is not a spectator sport. We are a place where students can get real-world, hands on learning inside and outside of the classroom. A place where S.T.E.A.M lessons and student driven problem solving, critical thinking, entrepreneurship and leadership, moves from practice and theory to implementation. For nearly 50 years, St. Andrew's has paved the path to success for generations of students. Our award-winning instruction model utilizes its remarkable riverfront campus for students to learn, achieve and springboard into the world of tomorrow. We develop the whole child in mind, body and spirit from PreK through 12th grade.
